Continuous Conversations

Replacing annual reviews and big-bang plans with ongoing dialogue between people, teams and AI

By Jonathan Davis

Annual reviews and once-a-year plans are too slow for an AI-era world. A practical guide to continuous conversations: regular, lightweight check-ins between people, teams and AI assistants that keep goals, feedback and plans current all year long.

WHAT YOU'LL LEARN

- Replace the annual review with lightweight, regular check-ins
- Turn planning into an ongoing conversation across teams
- Use AI assistants to prepare, summarize and follow up on conversations
- Build trust so feedback flows both ways

CONTENTS

01 The end of the annual cycle
02 What makes a conversation continuous
03 Check-ins that replace the annual review
04 Planning as an ongoing dialogue
05 AI as a conversation partner, not a judge
